Broom Heating & Air has served the Midlands since 1970 and is one of only three companies in the midlands with the distinction of being a

Carrier Factory Authorized Dealer.

And, if that's not enough.... We are licensed, insured, and bonded, background check our employees, have an 'A' rating on Angie's List, employ NATE certified technicians and installers, and—honestly, the BEST STAFF ANYWHERE !!

" An air conditioner's filters, coils, and fins require regular maintenance for the unit to function effectively and efficiently though-out its years of service. Neglecting necessary maintenance ensures a steady decline in air conditioning performance while energy use steadily increases"
